RICHARD W. NAGEL
Clerk Of Court
CINCINNATI, OHIO

U.S. DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
WEST DIV CINCINNATI

Because of The corona virus And President Donald Trump locking This country down some months ago, I had no idea what the district court was going to conduct normal operations, so I relied on all correspondence from The district courts regarding The complaints I filed on -1-1-2020 Seeking relief from Kroger Corporate office in Cincinnati, Ohio Human Resources (Mr. Masse) for discrimination by a Kroger employee. To come To my P.O. Box in Covington Ky, I received my complaint Back Against The C.E.O dismissing him from any liability, and Then I was wondering where is The complaint on (Mr. Masse) Human Resources Anyway weeks were going by And I have not received any news And Then I remembered The woman in The clerks office saying I can go To The courts website And put in my case # number To check The status of my complaint and when I went into The website nothing was There I Tried over, and over, but my complaint wasent There, So now Im Telling myself if The court heard my complaint whether good or bad They would have sent me something so I ruled That out and started Thinking someone could of erased it by accident Then I Thought why would someone do That, but if it isnt There what happened To it, So I started from The beginning (1) I filed my complaint on (1-1-2020.) (2) Clerk hand me my copies clearly showing The filing date. (3) I put The copies in my Gym bag AT The clerks office. The next day like every day I went To The library And because Im homeless my Gym bag contains everything I own and it never leaves my side, but if The district court didnt remove my complaint Then who did it and why, and why wasnt I notified apparently whoever did This new enough about me To fool The clerk

Read-first

p.9(2)

But for That person To have The clerk remove my Complaint he would have To know everyThing That's ^{The complaint} on plus Know all my personal information* and after careful Thing Thinking The only Time ever That I was seperated from my Gym bag is when I was arrested in Campbell County (newport) on 1-5-2020 And released on 1-16-2020 - all my property was missing except my pants, shirt, wallet, keys and my Gym bag and All of its content was ~~gone~~ gone.

Whoever* Search my bag and found my copy of The complaint is responsible for what's been done here, They had To have called Mr. Masse at The Kroger Corporate office and Told him about The pending law-suit because before I learned about my missing complaint I saw The ~~who~~ man who was manager at Kroger on dixie highway working at The Kroger store in covington on madison Ave and The woman (Susan) was also removed from The store how did (Mr. Masse) know exactly what (2) employee's To Transfer, I also wonder if he instructed The caller To remove ^{me} my complaint off The District courts website by pretending To be because The caller has my personal information he could be The only person That can do it (\$\$\$)

your majesty its clear That while locked away in newport Jail on Trumped up charges someone committed a seires of unlawful acts That may have been (profitable) for Them.

let it be known and The information contained with-in

That during Such Time on or after - 1-5-2020 Someone Representing Campbell county (newport) Jail acquired and obtain my personal property and for security reason ~~thereof~~ Thurnally Search my property for possible contraband: Such as - guns - drugs - weapons - Alcohol or Anything That can be considered a Threat To security And The Health and Safety To All concerned inside and outside The perimeter of The facility also: Anything found during Such Search That is considered not To pose a Threat To security or directly To human life s. should be identified, cataloged and stored away as The private & personal property bearing The person name, but please note: Any Action or behavior That's committed outside of its normal routine for storing, Securing and protecting private and personal property and information inside a Secure facility constitutes a breach and not limited To open interpretation which can also Violate That person Constitutional and Civil rights laws.

Please be aware That The letters marked (p.9(1) p.9(2)) clearly shows rights violations from both partys = (my due-process clause) (discrimination) And more - after review - both partys are actively engage To prevent a complaint from going forward in a District Court - The caller Violates my rights of privacy and my due-process - and discrimination by informing Mr. Masse of who I am and my intentions, Mr Masse Then relocates The 2 persons mentioned in The Complaint - Then Mr Masse hires The person on

The phone by instructing him To use my personal information To mislead The clerk office To beleave There Talking To Robert Simmons And They remove my complaint.

AT This Time I would like To say Mr. Masse conduct and behavior should not be Tollerated he has demonstrated he is a carbon copy of The female he hired at Kroger who is The originator of This suit Therefor I would like To make Some modifications on my original complaint because his actions also shows he know The Type of woman he hired To work AT Kroger so instend of sloving The problem he's covering it up

I now seek relief in The amount of \$ 200,000.000 dollars I want Kroger To pay All federal, state, city Taxes on This amont I want Around The clock protection from security After The Corporate office gets All of my cases and This probation removed permanently

I want All This done ~~immeditly~~ immediatly -

I would like ~~relief~~ To file a complaint Against Campbell county newport Jail - due-process - discrimination and Deflamation - ASAP

Mr. Robert Simmons

The beginning 10-1-2020
In "May" I Told Judge-Bartlett how ^{Attorney} Dennis Alerding ^(SR)
Stole my identity in Sep Sept-2018 after Ashley Graham
Was Consistently Violating my Constitutional rights, Judge
Bartlett did not Acknowledge my Complaint against, because
There was no investigation ~~incite~~ ignited against him
leaving The courts liable - and aiding and Abiding a felon
And on 9-25-20 Judge Zahla was also informed about-Dennis
Alerding ^(SR) and his court did nothing, resulting in The same
- Violations -

Please send Someone Fast

Uniform Citation (1) A

This is not The citation I was giving after my Arrest on -1-5-2020 into The Campbell County Jail But The officers here AT (Kenton County Jail) looked up This same citation and Tells me its my original.

Now if you read my statement in The complaint Those were The facts listed on The original citation during my Arrest.

Now please look closely AT This citation it clearly opens the way beyond Tampering in fact They have indicted me on This charge.

Theres ~~nothing~~ nothing Absolutely nothing There

- (1) where is The criminal poss - what is The instrument
- (2) is it under water or on The moon
- (3) Does it involve a Tree or a rock

Do you get my point and even if This citation is not Tampered with it stills fall under

Uniform citation (2) A

This follows the same
Pattern as uniform citation (1) A
except This was sent to the
grand-jury and it clearly
shows the value at under
\$500.00 Dollars which is a (Misdemeanor)
in the state of Ky

On another note This incident took
place at a public bus-stop (Pike-Holman)
where there's constant crime, drugs
and prostitution, but I was sitting
there and the police I was sitting
my position it obviously belongs in
my position

- Again This is another (Tampering)
